2012 REPRINTS, PERMISSION & COPYRIGHTS

Give your company the recognition it deserves. Order reprints of news articles, features, or special reports and transform your company's positive press into a valuable marketing tool.

Use *Workforce Management* reprints for:

- Sales, marketing and recruiting promotion pieces
- Direct mail pieces and new product announcements
- Trade show displays or handouts
- Internal handouts that add visual credibility and increase morale for your staff

Choose from several reprint options:

- Hard copy: Customized reproductions of your article available in 4-color or black & white.
- E-Prints: Easy to distribute and cost-effective, E-Prints are non-print PDFs. Email it to clients and pay only for the number of people you send it to.
- Web Buttons: Web Buttons are a 1-year electronic license used for posting on your website or use in e-mail newsletters or other correspondence
- Web Reprints: Web Reprints are non-print pdfs used for posting on your "news" section of your website.
- Plaques/Framed posters: Plaques and frames make great gifts and augment recognition of company achievements.
