\*Data from Alexa.com. \*\*Figures were revised from last year's list; companies acknowledged that they provided incorrect information in 2005. Note: America's Job Bank and its subsidiary USAJobs.com as well as Vault.com and Yahoo HotJobs declined to participate. Job board aggregators do not meet the criteria for this list; only job boards with direct listings are included. Sources: Companies, Alexa.com

This list first appeared in the May 22, 2006 issue of *Workforce Management*.
